PENTAXIANS
YEARBOOK

2020

IN MEMORY OF JON RAMLAN AND LI HIM WO

pentaxians-yearbook.com

Dear Pentaxians,

Dear Pentaxians,

this has certainly been a very challenging year for the vast majority of us. Secretly, because of the Corona crisis, we expected fewer submissions than in previous years, but that was not the case. In total, over 400 images were submitted and the quality, as always, is outstanding, which makes us very proud. So thank you all, out there in the world, for your great images and for keeping alive what is by far, the greatest photo community imaginable.

See you in the next yearbook.

Yours Béla and Stephen

**Thank you Wolfgang Baus and Team at RICOH IMAGING EUROPE
for support and sponsoring the prize for the cover shot.**
